This document relates to: All Cases.

The United States District Court for the Southern District of New York presents its compliments to the appropriate judicial authority of the Kingdom of Denmark, and requests international judicial assistance to obtain evidence to be used in a civil proceeding before this court in the above captioned matter. This request is made pursuant to and in conformity with the Hague Convention of 18 March 1970 on the Taking of Evidence Abroad in Civil or Commercial Matters.

This Court requests the assistance described herein as necessary in the interests of justice. The assistance requested is for the appropriate judicial authority of Denmark to compel the below-named individuals to provide testimony.

This Court considers that the evidence sought is directly relevant to issues of fact and law that may influence the final determination of the existence, non-existence, and/or extent of any liability in this matter. This request is made with the understanding that it will in no way require any person to commit any offense, or to undergo a broader form of inquiry than they would if the litigation were conducted in the Kingdom of Denmark. It is expected, based on existing timetables, that the United States District Court for the Southern District of New York may schedule trial in or around 2021. Potential summary judgment motions would be due before

trial. In the United States, parties may move for summary judgment. A party moving for or opposing summary judgment must present evidence to support its arguments, as they do at trial. The following request is made in support of the pending proceedings in New York.

7. Nature of the Proceedings

a. Background

In May and June 2018, Plaintiff SKAT filed 140 similar complaints in eleven different federal judicial districts. On October 3, 2018, the federal complaints were consolidated in this Multi-District Litigation (“MDL”) and assigned to the Honorable Lewis A. Kaplan. Since that time, SKAT filed several additional complaints which are consolidated into the MDL. SKAT filed amended complaints on April 20, 2020, against the particular Defendants seeking the evidence described below. Defendants answered the amended complaints on June 29, 2020.

Defendants are pension, profit sharing, or stock bonus plans qualified under section 401(a) of the United States Internal Revenue Code, exempt from taxation under section 501(a) of the United States Internal Revenue Code, and residents of the United States of America for purposes of U.S. taxation. Defendants applied for and received dividend tax reclams from Plaintiff SKAT related to Defendants' ownership of shares in Danish companies listed on the OMX Copenhagen 20 Index, the 20 most-traded stocks in Denmark. Danish companies are required to withhold 27% tax on dividends they pay to shareholders. Under certain double taxation treaties between Denmark and other countries, including the United States, this tax is reimbursable to certain non-Danish shareholders, including pension, profit sharing, and stock bonus plans qualified under section 401(a) of the Internal Revenue Code. Defendants, acting through their agents and representatives, applied to SKAT claiming repayments of tax withheld on dividends that they earned on shares of Danish companies that they held. SKAT claims that Defendants did not own the shares forming the basis of those tax reclaim applications. SKAT alleges that it paid baseless withholding tax refund claims.

The witnesses whose testimony is sought pursuant to this Letter of Request are nine former Ministers of Taxation.

b. Summary of Complaints

The allegations in Plaintiff SKAT's complaints in the consolidated actions are substantially similar. SKAT brought complaints against three classes of defendants: "Plan Defendants," the pension plans that SKAT claims received baseless dividend withholding tax refunds; "Authorized Representative Defendants," individuals who signed powers of attorney authorizing Payment Agents to submit dividend withholding tax refund claims to SKAT; and "Incorporator Defendants," defendants who incorporated business entities associated with the

Plan Defendants that submitted dividend withholding tax refund claims to SKAT. The conduct at the heart of Plaintiff SKAT's complaints is alleged to have occurred between 2012 and 2015. Plaintiff asserts claims for fraud, aiding and abetting fraud, payment by mistake, unjust enrichment, negligent misrepresentation, and related claims.

c. Summary of Defenses

Defendants deny all allegations of wrongdoing made by SKAT. Defendants assert numerous defenses to SKAT's allegations. Defendants maintain that they acted at all times reasonably and with due care, reasonably relied upon the actions and statements of others, and did not directly or indirectly cause, induce, aid, or abet any acts constituting the claims asserted by SKAT. Defendants assert that they did not engage in any unlawful conduct and are not liable for any unlawful acts that may have been committed by others. Furthermore, Defendants contend that if SKAT suffered any loss, damage, or injury, such alleged loss, damage, or injury was caused in whole or in part by SKAT's own negligence, SKAT's assumption of risk, and/or other culpable parties and/or third parties to this action, other than Defendants, for whose acts or omissions or breaches of legal duty Defendants are not liable. Finally, Defendants allege that SKAT's claims are barred by the applicable statutes of limitations.

**16. Specification of privilege or

under the law of the State of
origin (Article 11,b)**

Under the laws of the United States, a party has a privilege to refuse to disclose the contents of a confidential communication between that party and an attorney that was made for the purpose of obtaining legal advice. Waiver of the privilege over some communications, in some circumstances, can be deemed a waiver of privilege over other communications concerning the same subject matter.

Parties also enjoy limited privileges not relevant here, such as communications between physician and patient, psychotherapist and patient, husband and wife, or clergy and penitent.

United States law also recognizes a testimonial privilege against criminal self-incrimination. This privilege does not apply to production of documents.

Outside the strict area of privilege, certain limited immunities are available that may place restrictions on the giving of evidence, such as the limited protection of documents created by attorneys in anticipation of litigation.
